

FAQ's

Where are you based? Birchington, on the northeast coast of Kent

Will we meet before we decide to go ahead with you? Yes, it's important we all feel comfortable. It is also a great opportunity for us to get to know each other. If not too far to travel, we'll meet in person, otherwise we can partake in a video call.

Do you charge additional travel and accommodation costs? Possibly, depending where the wedding is. But if so, this will be highlighted in my quote.

What if it rains on the day? The weather will not spoil anything. Although we would all prefer a nice sunny day, if it does rain then the photos will be atmospheric and just as stunning.

Are you good with people for group photos, sometimes they take too long? I am very organised and I keep everyone engaged and focused.

Are you happy for guests to take photos? Of course, but it may be a good idea to ask for no pictures to be taken during the ceremony. This way, the guests can stay present and remain in the moment.

How long do our 'newlyweds' couple shots take, we don't want to be away from our guests for too long? Before your wedding day, we will work out how long we will spend on these photos. Together, we would have already chosen the best backdrops in advance to save time on the day.

Do you edit the photographs yourself? Yes, I do. I believe the photographer that took the photos has a better insight into overall feel of the day, and this creates the best editing.

Will you post the photos to social media and your website? Only with your permission.

How long will it take for us to receive our photos? I will send a few over within 48 hours and I will have them all ready within 3 – 6 weeks.

What if you are too ill to photograph the wedding? I know a network of photographers and I will do all I can to help you find a replacement.

What will you need on the day? Some food would be great as it's a long day. If not, please let me know and I'll bring a packed lunch.

Do you travel for destination weddings? Yes, I really enjoy embracing different locations and cultures. We can discuss the details and logistics to make your wedding abroad beautifully documented.

How do we pay? To secure the date, a 25% deposit is required (refundable up to 4 months prior to the wedding date). This is payable once you have signed the agreement. 50% is payable 2 weeks before the date and the remaining 25% within 7 days upon receipt of your photographs.
